

“ Strengthened HRH planning and management capacity toward adequate, equitable, efficient and effective HRH and health systems for health equity and quality improvement in the Asia-Pacific region ”

INSIDE THIS ISSUE:

- The 5th AAAHAH annual Conference will be held in Bali, Indonesia in 4-6 October. The theme of this upcoming conference is “HRH Challenges for Achieving MDGs”. It's now time for the call for papers!
- We may hear about CCF but what is it really, find out more details inside. Furthermore, our partner, GHWA, will host a workshop to build up capacity in regional and national institutes during 12-15 July 2010 in Cairo, Egypt.
