

CALL FOR PAPERS

Each case study should not exceed 3,000 words with an abstract of less than 500 words in Word format (.doc), excluding tables, figures and references. Papers submitted should fall under one of the Conference themes. The paper should be in Verdana 12 font with single spacing. The content of the paper should include the following sections:

1. The background
2. The conceptual framework
3. The description and main results of the case or cases
4. The lessons learnt
5. Proposal for regional or global actions.

The papers will be reviewed by the technical committee of the AAAH and other partners.

DATES FOR SUBMISSION

The deadline for submission of an abstract is **30 July 2010**. The case will then be reviewed by the technical committee of the Conference. Authors of selected abstracts will be asked to submit full papers and will be invited and funded to present their cases in the Conference. All contributors will be informed of the decision by 18 August 2010.
