Greetings from AAAH Secretariat!

In this fifth issue of the 5th Year AAAH Newsletter, we would like to present the RESYST project, a six-year research consortium. The 6th AAAH annual conference program, with session chair and speakers are also updated. We truly thank Dr Shiv, our AAAH focal point from India, for the article HRH in India. We learn very much from this! The focal points from other countries are more than welcome to send your HRH article to us!

We appreciate your kind supports. Your feedback to the newsletter is always welcomed and will help us make it better. If you have any information to share through this newsletter, please feel free to let us know at secretariat@aaahrh.org.
